## ECONOMIC DEVELOPMENT SUCCESS STORY

### Zimmer Marble

The Jackson County Brownfield Redevelopment Authority of Jackson County loaned \$800,000 to Zimmer Marble in 2003 to acquire the former Mechanical Products facility on River Street in Blackman Charter Township for its expansion. The source of the funds was a Brownfield Cleanup Revolving Loan Fund grant from the United States Environmental Protection Agency.

Zimmer Marble, a producer of marble and other stone product countertops, used the funds to clean up contamination on the site. Mechanical Products will continue to lease a portion of the property. This is only the second such loan in the State of Michigan.
