Commonwealth Associates, Inc.

Commonwealth Associates, Inc. (CAI) is an employee-owned and -managed firm specializing in services related to the transmission and use of electrical energy. Our experienced, diverse staff includes engineers and engineering technicians as well as experts in environmental sciences, licensing, surveying, right-of-way acquisition, and construction management.

The company offers a complete package of services to assist their clients with the successful siting, permitting, design and construction of their transmission and substation projects.

Commonwealth Associates, Inc. received a \$1 million Single Business Tax Credit from the Michigan Economic Growth Authority (MEGA). They considered moving to Atlanta, Georgia but after meeting with The Enterprise Group of Jackson, Inc., they learned about possible tax incentives and stayed in Jackson as a result of our efforts!
