ECONOMIC DEVELOPMENT SUCCESS STORY

Northwest Refuse, Inc.

Northwest Refuse, Inc. is an established business in Blackman Charter Township. Northwest Refuse still operates in the same "Mom and Pop" style that customers continue to rely on to this day - but now with 6 roll off trucks, 3 recycling trucks, 2 service trucks, 11 garbage trucks including 40 employees and the husband and wife team who started the business in 1983.

Northwest Refuse, Inc. is constructing a new recycling facility on a 25-acre parcel adjacent to the company's existing facility. They also plan to purchase new machinery and equipment for the new facility.

The Economic Development Corporation of Jackson County assisted the company by providing a low-interest Revolving Loan Fund in the amount of \$85,000. In addition, they were assisted by the County's Brownfield Redevelopment Authority with environmental assessment work.
